

### **REPRODUCTION AUTHORIZATION/RESTRICTIONS**

**This manual has been prepared by and for the Government and, except to the extent indicated below, is public property and not subject to copyright.**

**Copyrighted material included in the manual has been used with the knowledge and permission of the proprietors and is acknowledged as such at point of use. Anyone wishing to make further use of any copyrighted material, by itself and apart from this text, should seek necessary permission directly from the proprietors.**

**Reprints or republication of this manual should include a credit substantially as follows: "Joint Departments of the Army, the Navy and the Air Force, TM 5-864/NAVFAC MO-200/AFJMAN 32-1082."**

**If the reprint or republication includes copyrighted material, the credit should also state: "Anyone wishing to make further use of copyrighted material, by itself and apart from this text, should seek necessary permission directly from the proprietor."**

**Tables 13-1 and 16-1 are reprinted from table 2 of IEEE Std 18-1992 and table 11.1 of IEEE Std 519-1992 respectively.**
